The two press clippings appearing at right announced the 1988 Scholarship Awards of the 461st & 484th Bomb Groups Association. They were sent to us by Professor Umberto Albanese of Cerignola who heads the Italian staff that makes the yearly selections. As might be expected the scholarship program has made many friends for the Association in Italy. What we are doing is unique among 15th Air Force veterans associations and that makes us special with the citizens of Cerignola. Donations to the Memorial Scholarship Fund are always in order. You may use the tear slip on pages 27-28. If the contribution is made in the name of a deceased member, it will be so noted in the published list of contributors to the Scholarship Fund. The donors list shown below includes contributions from October 1, 1988 to early March 1989.
